

Riverplace Blvd., Austin, TX 78726-9000) and tested for surface resistance, clarity, and transmission.

Please amend the paragraph beginning at page 14, line 3 as follows:

For Tape Example 44, Panipol™ FB 0936, a polyaniline coating on a blown polyurethane film, available from the aforementioned company, was adhered the 2656 Pressure-sensitive cover tape (3M, Electronic Handling & Protection Division, 6801 Riverplace Blvd., Austin, TX 78726-9000) and tested. Results for all these Examples are found in Table 3.

A version marked up to show changes made to the specification relative to the previous version of the specification is attached.

Remarks

Claims 1-15 are pending in the instant application.

This amendment is submitted to correct typographical errors discovered in the specification after the application was filed. No new matter has been added as a result of this amendment.

Examination and favorable consideration of the application as amended is requested.
